County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**RESOLUTION OF INTENTION TO VACATE CALLE CASCADA
NORTHWEST OF CALLE EL FUENTE - GREEN VALLEY
FUTURE PUBLIC HEARING
SUPERVISORIAL DISTRICT 5
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the enclosed Resolution of Intention to Vacate a portion of Calle Cascada northwest of Calle El Fuente, in the unincorporated County area known as Green Valley, pursuant to Section 8320, et seq., of the California Streets and Highways Code.
2. Set the matter for hearing not less than 15 days from the adoption of the Resolution pursuant to Section 8320 of the California Streets and Highways Code.
3. Instruct the Executive Officer of the Board to publish the enclosed Notice of Proposed Vacation pursuant to Section 8322 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the enclosed Resolution to Vacate with Reservations on the date of the hearing, pursuant to Section 8324 of the Streets and Highways Code, after finding that:

1. The vacation is categorically exempt from the provisions of the California Environmental Quality Act (CEQA).
2. The area proposed to be vacated is no longer needed for present or prospective public use, including bicycle paths and trails.
3. The public convenience and necessity require the reservation and exception of easements and rights as set forth in Section 8340 of the California Streets and Highways Code.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Mr. Larry P. Golden and Ms. Sharon B. Kordan, the underlying fee owners, requested this vacation to remove from the record all public easement rights within their properties. The petitioners wish to construct a residential structure on their properties, which would entail the use of a portion of the dedicated road. Due to the surrounding area's extreme topography, the building site can only be located with the road right of way. Since all the properties adjoining the proposed vacation area are owned by the petitioners, this vacation will not cut off access to any properties or negatively impact property of another.

Calle Cascada was dedicated to the County on July 24, 1924, and is currently unimproved. It is in the County's best interest to vacate this right of way since it no longer serves the purpose for which it was dedicated nor is it required for general public access, circulation, or for bicycle paths and trails.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as the vacation of the right of way will result in added revenue through assessment and taxation, eliminates unnecessary maintenance costs and removes possible County exposure to liability.

FISCAL IMPACT/FINANCING

Vacation of the right of way will not have any negative fiscal impact on the County's budget. A fee of \$1,500 has been paid by the petitioners to defray the expenses of investigation, mailings, publications, and posting. The fee is authorized by your Board in a Resolution adopted May 4, 1982, Synopsis 62 (Fee Schedule), and as prescribed in Section 8321(d) of the California Streets and Highways Code.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The area to be vacated contains approximately 3,670 square feet and is shown on the map attached to each Resolution.

The County's interest was acquired by dedication for public use on the Map of Tract No. 6183, recorded in Book 101, pages 27 through 30, inclusive, of Maps in the office of the Recorder of the County of Los Angeles.

Section 8300, et al., of the Streets and Highways Code allows your Board to voluntarily relinquish the County's interest and terminate the public's right over a street or highway. Adoption by your Board of Public Works' recommendations terminates the rights of the public to the vacated area and disposes of excess County right of way. Your action will also result in the properties being unencumbered of the public easement, thereby allowing the underlying fee owners to exercise their reversionary rights over the vacated area.

The vacation is conditioned upon the petitioners merging all their properties into one parcel to restrict future improvements on the property to a single-family residence. The applicants, prior to filing of this Resolution to your Board, will execute a "COVENANT AND AGREEMENT TO HOLD PROPERTY AS ONE PARCEL" to effectuate the above condition. This document will record concurrent with the recording of the Resolution to Vacate.

ENVIRONMENTAL DOCUMENTATION

This proposed vacation is categorically exempt from the California Environmental Document Reporting Procedures and Guidelines, as specified in Class 21(a) of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57, and Section 15321 of State CEQA Guidelines.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The County of Los Angeles Fire Department has found that no fire protection facilities will be affected by the proposed vacation. The Los Angeles County Regional Planning Commission has determined that the proposed vacation of a portion of Calle Cascada is not in conflict with the County Adopted General Plan and that the right of way is not suitable for bicycle paths and trails. Existing easement rights for utilities will be reserved to Southern California Edison Company and Pacific Bell.

CONCLUSION

This action is in the County's interest. Enclosed are a Resolution of Intention and a Resolution to Vacate with Reservations, approved as to form by County Counsel, vacating a portion of Calle Cascada. Upon adoption of the Resolution of Intention, please transmit two conformed copies of the Resolution and the Notice of Proposed Vacation to Public Works, which will post the Notice pursuant to Streets and Highways Code Section 8323. Upon adoption of the Resolution to Vacate with Reservations, please return the executed original, together with two conformed copies and a copy of the Board's minute order, for further processing. In the interim, please retain one executed copy for your files. We will record the Resolution and return the executed original Resolution to you when recorded.
